D.O. No. N-11025/16/2024-LSG

Dated: the 26<sup>th</sup> March, 2024

Dear Principal Secretary,

Ministry of Road, Transport and Highways (MoRTH) vide G.S.R dated 25.02.2022 notified "Compensation to Victims of Hit and Run Motor Accident Scheme, 2022", in supersession of the Solatium Scheme, 1989. The scheme operationalized w.e.f. 01.04.2022, provides for enhanced compensation for victims of hit and run motor accidents. Scheme details have been uploaded by MoRTH on the website of General Insurance Council (<https://www.gicouncil.in/insurance-education/hit-and-run-motor-accidents/>). An indicative diagram regarding the compensation under the scheme is enclosed as Annexure 1.

2. MoRTH has observed that despite the provision for higher compensation under the revised Scheme, the number of claims have been very low. Till date, less than 3,000 claims have been received under the scheme, whereas the total numbers of hit and run accidents have been more than 60,000 on an annual basis. One of the reasons for the low number of claims may be attributed to the low level of awareness about the scheme among the citizens. In the Hon'ble Supreme Court's order dated 12.01.2024 in the matter of S. Rajasekaran vs Union of India & Ors, the Hon'ble Apex Court has expressed its concern over the limited off take of the scheme. A gist of the Supreme Court Order is enclosed for your ready reference (Annexure 2).

3. In view of the directions of the Hon'ble Supreme Court and the Standing Committee of the Scheme, I would request you to not only ensure that suitable monitoring mechanism is put in place at the district level, but also to issue appropriate directions to the Urban Local Bodies (ULBs) to create wide publicity of the scheme at the grassroots level. Suitable directions may be issued to the ULBs to sensitize the officials about the scheme features and to assist the victims of hit and run cases. At local level, active awareness campaigns need to be conducted across all the ULBs. Use of banners, advertisements in local dailies, social media platforms, etc. may be used for raising awareness. Indicative banners (sample enclosed as Annexure 3) may be placed at suitable locations within your jurisdictions so as to create maximum visibility. The awareness campaigns may however be conducted keeping in mind the Model Code of Conduct which is currently in force.

With regards,

UD & P.

The Hon'ble Supreme Court, vide order dated 12.01.2024 in the matter of S. 4. Police shall forward First Accident Report to the Claims Enquiry Officer within one month from the date of accident, including the names of victims in case of injury or of the legal representatives of the deceased victim (if available with the Police Station).
